

Mr Mollard's Message

Once again many thanks to everyone who attended and supported the MacMillan Coffee afternoon last Friday - our combined efforts raised over £350 for the charity so well done to all. This week I hope you had the opportunity to visit the Scholastic book fair and have a browse through all the books available - every sale benefited school and we were able to use our commission to buy new books for school. On Monday I was able to support the school football team at their matches at Congleton High. Although we didn't win either game it was good to see all the boys trying hard and starting to work as a team - I'm sure we can build on this performance in the future. Congratulations to Danny in Year 6 ,who has successfully reached the final round of trials, for the Macclesfield and District football team!

MacMillan Coffee Afternoon

Thank you to everyone who donated to, and attended, the coffee afternoon last Friday - it was a lovely event for a fantastic cause and we raised an amazing amount!

Year 5/6 Football Tournament

Monday saw our football team playing at Congleton High. We drew 1-1 with Marton and lost 2-0 to Havannah - however the team worked really well together and we saw lots of great sportsmanship and potential so well done to the team.

Golden Mile

Each week our pupils run the Golden Mile in their year groups - this promotes healthy activity and boosts energy!

Harrison and Jake in Year 2 set their class record this week with 5 laps in 10 minutes whilst the current leaders in Year 5 are Cain and Seth who managed 6 laps.

Bring on the Cross Country events!

Healthy Snacks

We are trying to promote healthy snacks at break times in both KS1 and KS2. Our KS1 classrooms always have fresh fruit and vegetables which are available to the KS1 and pre-school children every break time free of charge.
