

Onto week 6... another busy week trying to track down our missing dinosaur which hatched on Monday and has been missing ever since. The children did some fantastic MISSING posters asking everyone to keep their eyes peeled. This week we will be writing signs to help us with finding our baby dinosaur.

A little plea... does anybody have some large rope netting we could have please? It would be much appreciated for our display work and den making kit. Thank you.

This week we are getting better at:

- Doing the right thing by ourselves
- Knowing our 2D shapes
- Writing signs

Our Circle time focus this week is...

Doing the right thing by ourselves

A big focus at the moment on making sure everyone is aware of making the right choice. Please discuss at home. Thank you!

Home learning diaries:

Our phonic sessions have been going well and we have now covered s, a, t, p, i, n, d, m, g, o, c, k, ck, e, u, r. Play 'I spy' using these initial sounds and begin blending and segmenting with these letters. We blend to read by using the sounds c-a-t and segment to spell by stretching out the words c-a-t. Make little words together with our sounds so far and blend together. Some children are blending already, others need lots of practise to gain this vital skill. Just keep practising these skills in short bursts to build confidence.

In Maths this week we will be focusing on naming our 2D shapes. Go over their names and properties at home. Vocabulary is really important in our maths work so use as many different words as possible as you build construction and pattern make, for example, shape names and edge, side, fit, space, tall, short, wider, narrower, tessellate, corner... Look out for tessellating patterns as you walk (shapes that fit together with no gaps) eg. Brick walls, paving slabs. Draw shapes together, model how you draw the shape and explore using a ruler.

Reception Dates for your diaries...

Friday 26th October - Harvest festival (pm)

Friday 26th October - Break up for half term

These are just handy dates for our Reception class. Please check the main dates for the whole school on the website for your information.

Busy Bookworm

This week's Busy Bookworm is Ava for reading every night last week. Well done!

She gets a Busy Bookworm certificate. Who will it be next week?

See what's on at www.buglawtonprimaryschool.org, keep up-to-date by following us on Twitter @BuglawtonSchool or our weekly newsletter which will be handed out every Monday. Additionally, check out our Parents' notice board too.
