

# RECEPTION NEWSLETTER 26.11.18

A really successful 'Wear your Jeans' day on Friday so thank you for taking part and donating all those wonderful prizes for our Christmas Fayre in a few weeks. Just another polite reminder to keep an eye on the main dates for the whole school on the website or school newsletter as there is lots coming up and going on in this half term. I will also be sorting out parent logins to access your child's online learning journey on the Tapestry website so keep an eye out for the slip in your child's book bag. Thank you also to those of you who brought in some junk modelling for us to use in our learning at school. We are hoping to make a beautiful display with it so watch this space!

## This week we are getting better at:

- Being snappy
- Making posters to save the polar bears
- Knowing how to write our numbers

## Our Circle time focus this week is...

Being snappy!

We have noticed we take our time when we are doing certain jobs like tidy up time and have decided we need to get quicker at these tasks.

## Home learning diaries:

In phonics this week we will be learning the sounds: igh, ee, or, oa.

Our class have really been inspired by our learning regarding polar bears. They were shocked to find out that due to changes in the world, the sea ice they rely on is disappearing, making it much harder for them to hunt. If this keeps happening, one day the only place to see a polar bear may be in a zoo. This would be very sad. Lots of people are working hard to try to save the polar bear and we've decided we can help! Some suggestions are: turn off the taps when brushing your teeth, switch off your lights, TV or games console when you are not using them, avoid plastic bags when you go shopping and take your own reusable bag instead. Why not keep a track together of what you are doing to help the polar bear situation. You could record it in your child's homework book together.

In Maths this week we will still be learning our tricky teen numbers as they are still catching some of us out, so please support this at home, but we will also be focusing on number formation. Why not use toy cars and roll them to make the number shapes or roll a dice and record the number using the correct formation or there are lots of number formation activity sheets online.

## Reception Dates for your diaries...

Friday 7<sup>th</sup> December - Christmas Fair  
Wednesday/Thursday 12<sup>th</sup>/13<sup>th</sup> December - KS1 Nativity  
Wednesday 19<sup>th</sup> December - Christmas Panto  
Thursday 20<sup>th</sup> December - Last day and Christmas jumper day

These are just handy dates for our Reception class. Please check the main dates for the whole school on the website for your information.

## Busy Bookworm

This week's Busy Bookworm is Ella for reading every night last week. Well done!

They get a Busy Bookworm certificate. Who will it be next week?

See what's on at [www.buglawtonprimaryschool.org](http://www.buglawtonprimaryschool.org), keep up-to-date by following us on Twitter @BuglawtonSchool or our weekly newsletter which will be handed out every Monday. Additionally, check out our Parents' notice board too.
