

Mr Mollard's Message

Both our football and cross country teams were involved in competitions this week. On Monday, the footballers, as always, gave 100% against some really tough opposition and although the results didn't go their way, I heard that they all competed well. Yesterday, the Year 3/4 cross country team ran their socks off at Eaton Bank. Special mention to Lily in Year 3 who finished 10th which is a fantastic achievement as she has another year to go in this age group.

The team came 4th overall—again well done to all that took part. It's the turn of the Girls' Football team this week, I'm sure that they will try their very best!

Cross Country

As Mr Mollard said, the team ran very well and we were impressed with their determination to get to the end of the course. Congratulations to Lily in Y3 (pictured) who came 10th in her race. It was also really good to see lots of former Buglawton Primary students helping out at the event.

Football

The football team faced some tough competition on Monday when they played at Congleton High on Monday. They played really well though and showed great team spirit. Well done boys!

Y4	91.85%
Y5	94.52%
Y6	91.94%

Well done Y2 and Y3 who are joint winners this week!

Pre-School in September

We are already taking bookings for the preschool for September, so if you have a child that will be 3 in September or if you know someone that does, please ask them to get in touch with school so that they can reserve a place for them. We are very excited that our preschool is so popular!

Clubs

Our vast array of after school clubs started again this week with lots of different activities for the children to enjoy. Cookery Club made some deliciously smelling pizzas this week - we are sure they tasted as good as they smelt!

Poor Weather

Please note that if the school has to close for bad weather, we will announce it on Silk FM (106.9FM), on the school website, on the Friends of Buglawton Facebook page and via email.

Asthma Inhalers

Please can you ensure that if your child needs an inhaler in school, that they have one. We have had a couple of incidents when a child has needed their inhaler only to find that it is at home.
