## **Buglawton Primary School**

**Evaluate**, Reflect and

Assess

## **Pre-Knowledge**

New vocabulary, locational knowledge, place knowledge, human and physical geography, and assessment should be weaved throughout this enquiry-based learning process.

## **Generate Questions**

**Geography Learning Process** 

Engage and excite children with an artefact, images, or video clip. Children to be curious, speculate, use imagination and ask questions (enquiry approach).

## **Collect and Select Data**
