

Miss Kennerley's Message

There's been a real change in the weather this week and with the lighter mornings, it really feels like Spring is on its way! We've enjoyed some sunny, crisp days outside and the early years classes have been making the most of outdoor learning. This week has ended with a fantastic NSPCC number

day. I've been amazed by some of the costumes today so thank you to everyone for getting involved and supporting such a fantastic charity. Just one more week until the half term break and it's a very busy one! Tuesday is Safer Internet day so we will be spending time teaching the children how to stay safe online and to use the internet appropriately for their age. Make sure that you ask them after school on Tuesday what they have learned and make sure, as parents, you have a look at some of the online resources that can be found on our school website. We also have a cake sale after school on Thursday so all donations of cakes would be greatly received. Thank you!

NSPCC Numbers Day

It's the first time that we have taken part in the NSPCC Numbers Day, and what a huge success it was! Thank you for all the imaginative costumes which we celebrated in our Friday assembly as well as taking part in lots of fun maths activities.

Y5/6 Girls' Football

The team had an excellent outing on Thursday evening at Congleton High., chalking up a win, 2 draws and 1 loss. Miss Kennerley, who accompanied the girls, said how impressed she was in the girls' teamwork, determination and enthusiasm - well done, girls!

Meet the Governors, Friday 14th February

In the summer survey, a number of parents indicated that they didn't know who the school's Governors are, so we would like to invite you to meet them next Friday morning in the school hall at 8:45am. Please come and have a coffee with them to find out more about what their roles are in school and ask any questions you might have.

Diary Dates

Tuesday 11th February

Safer Internet Day

Y5 trip to watch Eaton Bank production

Boys' Football at CHS

Thursday 13th February

Partnership Netball Final tbc

Thursday 5th March

World Book Day

Boys' Football at CHS, tbc

Tuesday 10th March

Netball League 2

Success Out of School

We have 2 nominations this week - Lainie in Y4 (pictured) and Amelia in Y5.

Lainie only started tap dancing in October 2019 and at the end of January took part in her first show! Lainie was understandably nervous, but overcame this to showcase her talent, remembering her routine and keeping up with others in her group who have been dancing for much longer than she has. Well done, Lainie!

Amelia and her sister, Georgia, spent last summer filming as supporting artists for the popular CBBC series, The Worst Witch, which is now showing on Monday evenings at 5pm. This is a fantastic experience for Amelia - maybe we will see her collecting an Oscar in the future!

This Week's Above and Beyonders!

Attendance

Following on from the letter that was sent out to parents this week regarding the number of lates throughout the school, we are also going to show you the number of minutes lost in a week in each class, so that you can see the impact of being late on a weekly basis. We cannot stress enough how important it is to get your child to school on time - if you are having any difficulties, please speak to Miss Kennerley, Mr Jervis or Mrs Catterall.
