

**INTENT**

**Rationale:**

At Buglawton Primary School, our PSHE & RSE curriculum is designed to be accessible to all so that every child knows more, remembers more and understands more. As a result of this, they will become more healthy, confident, independent and responsible members of society who are confident in dealing with moral, social and cultural issues that are a part of growing up. Our children are given opportunities to learn about rights and responsibilities; tolerance of others' beliefs and ideas; the rule of law in society; the role that democracy plays in the running of our society; and encouraging pupils to have a mutual respect for others in our local community and a wider diverse society.
